PGCC @ Laurel College Center

AY 2025-26 Enrollment & Course Strategy

A more intentional approach to course offerings—aligned to LCC's role as a Regional Education Center through 4-year partner programs, and completer pathways.

35.9%

Enrollment increase

38.2%

FTE increase

7%

Course-section cancellation rate

Fall 2026 - A focused increase in in-person learning

Nearly 70% of sections are meeting in person.

35 sections are at or within 5 students of capacity.

Laurel College Center as a RHEC

Three strategies connecting pathways, access, and student success

1 Flexible pathways

Build clear, connected routes to completion

- 2+2 programs directly tied to the Complete Programs
- Student enrollment and program pathway reviewed annually
- Program buildouts for schedule and student planning

2 Serve every learner

Meet learners where they are

- Non-Incentive Funding Usages
  - Partnership for Department of Rehabilitation Services and CVS
  - ESL
  - GED Prep Courses
  - SAGE Courses (Adults 60+)

3 Holistic student success

Coordinate support around the whole learner

- Academic/Learning Based Student Services:
  - Placement Testing,
  - Academic Advising,
  - Registration
  - FREE Tutoring — Math, Biology, Writing
- Wraparound Student Services
  - Lactation Space
  - Owl Market (PGCC Pantry)
  - Programming and Events

THE LCC STUDENT SUPPORT ECOSYSTEM

From access → pathway → support → engagement

1 **ACCESS**

ESL • GED Prep

Serve every learner

2 **PATHWAYS**

2+2 programs

Annual pathway review

3 **SUPPORT**

Placement • Advising

Registration • Tutoring

4 **ENGAGEMENT**

Student Engagement and Leadership Programming & Events

Transfer Education | Transfer Fairs | Open House events

A collaborative model designed to help every learner enter, progress, and thrive.
