This report provides information concerning the places of residence of students enrolled in Maryland institutions of higher education during the fall of 2004. Appendix A presents the enrollment data by place of residence for students of both sexes and all racial/ethnic groups combined. Appendix B provides residency information for all black students. Reports by sex and individual racial/ethnic groups for 1982-2004 may be obtained by contacting the Research and Policy Analysis Division of the Maryland Higher Education Commission.

The information for this report was obtained from the fall student data tape submissions of all public campuses and a number of independent institutions. Information from other independent institutions was obtained from the Maryland Higher Education Commission Form S-4, "Residence By County Of Origin". In all cases the place of residence is defined as the permanent residence at the time of application to the campus.

The percentage distribution figures presented may not always total 100% due to rounding to the nearest tenth of a percent.
