State Approving Agencies

• State Approving Agencies (SAAs) were created 1945.

• These agencies are overseen by the governor, but funded by the U. S. Department of Veterans Affairs (DVA).

• The mission of SAA’s is to help make the GI Bill® work by ensuring that students know about and have access to well managed, efficiently run, educationally-sound programs that they can trust to help them succeed in meeting their vocational goals.

• SAA’s collaborate with the DVA, Institutions/SCO’s and other statewide partners in order to fulfill this mission.
School Certifying Officials (SCO)
A School Certifying Official (SCO), sometimes referred to as a Veterans Certifying Official (VCO), is:

- A person at an educational institution or training facility whom VA has delegated the authority to sign enrollment certifications, other certification documents and reports relating to VA Education Benefits.

- There may be more than one SCO for each institution.

- Request to Add/Delete SCOs – VA Form 22-8794, Designation of Certifying Officials (see Appendix 1)
• Keep VA informed of the enrollment status of veterans and other eligible persons.
• Keep SAA or VA (as appropriate) informed of new programs, changes in programs, institutional changes, etc.
  ➢ **Submit Annual Renewal Requirements**
• Apprise supervisors of any internal problems which may affect service to VA students.
• Regularly view GI Bill® Website for updates [http://www.benefits.va.gov/gibill/](http://www.benefits.va.gov/gibill/)
• **GI Bill® Comparison Tool**
• Assist VA students in applying for education benefits.
• Maintain records of VA students and make available for inspection.
GI Bill® Updates
• WEAMS (Web Enabled Approval Management System) with VA-ONCE to be launched by Fall 2017

• SCOs were directed to update their WEAMS profiles annually to add new programs or delete outdated programs

• VA-ONCE users will not be able to enter new programs in their institutions’ program inventories; programs not in WEAMS will not be certifiable

“Project Merge”
• Tuition-and-Fees payable for 100%-eligible Chapter 33 beneficiaries attending private institutions will be capped at $22,805.34 (AY 2017) for the VA Academic year (August 1 – July 31)

• Flight Annual Cap is $13,031.61
  • The actual net costs not to exceed $13,031.61 per academic year.
  • The cap applies to all classes and/or enrollments that begin during that academic year, regardless of the academic year in which the classes or enrollments are completed.

• Stipends for books and supplies are capped at $1000 per academic year. No Change.
  • Payments are made directly to the student’s personal bank account via direct deposit.
• Tuition and Fees Charged

• Routine reviews of selected students’ records to verify that payments of GI Bill® benefits were properly made to your VA students in order to:
  • Assist School Certifying Officials in better understanding their responsibilities and the procedural requirements of VA
  • Ensure schools and training establishments—along with their approved courses and programs—are in compliance
  • Monitor and assure continued acceptability of approval at previously approved facilities

What Are They and What is the Purpose?
• The VA determines which institutions will be surveyed on a yearly and quarterly basis
• Larger facilities with total VA student enrollments above 300 will be reviewed annually!
• The number of files reviewed depends on the size of your active VA student population; no fewer than 10 files will be reviewed (unless you have less than 10 current enrolled VA students)
What Records and Accounts Are Needed for the Survey?

- Institutional Records Needed for Student Records
- Unofficial transcript
- Copy of Enrollment Agreement
- Advertising Materials
- **85/15 Compliance information** (see Appendix 5)
- Copy of Student Account Ledger - **Detailed Records of Tuition and Fees**; for Chapter 33 students – this will include all payments/credits to the student’s account: from VA, institutional, private, federal and other payors.
  - Must be detailed enough to determine the source of all debits and credits, including how charges were determined and payments were credited.
  - The term in which any charges/payments/credits occur should be clearly identified and linked to the appropriate dollar amount.
  - **VA payments and refunds should be clearly labeled as such**
- Copy of Student enrollment/training schedules
  - Identifying start date, end date
  - Verification of prior credit evaluations
  - Academic Progress/Attendance standards
  - Obtaining LDA or last activity to confirm withdraw of subjects for student records
Every approved school/facility is required to have and enforce a policy with regard to transfer courses, credits, and previous experience.

- Facility must evaluate prior credit
- Grant credit as appropriate and offset tuition if applicable
- Shorten the program certified accordingly
- Document the process and awarded credit(s) if applicable
- Notify the student of the evaluation
- The Prior Training Credit box in VA-ONCE is now NA (Not Applicable) by default and is locked (grayed out).
• Applicable to facilities that have an academic and attendance satisfactory progress policy
• Notify VA promptly when a student receiving VA education benefits is placed on academic or attendance probation. (see SCO Handbook – dated 2/23/17, pages 78-81)
• Notifications should be sent using VA’s Internet Inquiry System
• Include the Student’s Name and Claim Number along with the statement “Student placed on academic or attendance probation”

Academic Probation
All students actively using VA Educations benefits should be terminated in VA-ONCE upon completion, graduation or termination from their program; select appropriate reason for termination.

- If the student is completing a Non-College Degree program, "End of Term or Course" should be selected as the termination reason. The last date of the term selected will be pre-populated as the date of termination. If subsequent terms were previously certified, VA-ONCE will prompt you to terminate those enrollments, or to leave them as previously certified.

- Termination “Unsatisfactory Attendance, Conduct, or Progress” - VA-ONCE will insert the end date of the term as the default “LDA/EFF Date”. You can change the default end of term date if it isn’t the correct date.
• In the event that an institution determines that they owe funds to the VA, payments should NOT be sent to the VA until the institution receives a debt letter from VA’s Debt Management Center

• Treasury Offset Program (TOP) – if the institution fails to respond to multiples debt management letters, the TOP will capture funds payable to the school by other government agencies (i.e., public institutions receiving Title IV Funds)

• Debt management number is 1-800-827-0648, for international callers 1-612-713-6415.
CHAPTER 33 FISCAL ISSUES

Generally overpayments of VA benefits are the responsibility of the student. However, there are instances under the Post-9/11 GI BILL when an overpayment is created on a school and funds need to be refunded to VA.

Debts and Over-Payments

A debt is established on a school when:

- The student never attended any classes for which he/she was certified regardless of the reason for non-attendance
- The student completely withdraws on or before the first day of the term.
- The school received payment for the wrong student
- The school received a duplicate payment
- The school submitted an amended enrollment certification and reported reduced tuition and fee charges, reduced Yellow Ribbon amount, or reduced both. (Reductions based on student's action should be reported on a 1999B with the changes in the enrollment and will result in a debt to the student.)
- The student died during the term, or before start of the term
- VA issued payment above the amount certified on the enrollment certification that was used to process the payment (VA data entry error)

A debt is established on the student for tuition/fees/Yellow Ribbon when:

- The student withdrew after the first day of the term (FDOT)
- The student reduced hours whether the reduction occurred before or during the term
- If the student attended more than one day of any of the classes certified and a payment has been issued, any debt created by the withdrawal should be charged to the student
- The school submitted a change in enrollment (1999b) and reported a reduction in tuition, fees, and/or Yellow Ribbon due to student action reducing or terminating training.
- If a student drops a course and adds a course so that there is no net change in training time, any change to tuition, fees, and/or Yellow Ribbon is a student debt

Schools must refund tuition and fee payments to students in accordance with their established refund policies, so that the students can resolve over-payments.

If a school debt has been established and your school believes that it is not appropriate, please notify VA through the Internet Inquiry System or by letter to the RPO (not the Agent Cashier).
SCHOOL OVERPAYMENTS

When a school debt is created, the RPO of jurisdiction sends a letter notifying the school of the overpayment with details regarding the associated student, debt amount, and the reason for the creation of the debt. The debt is electronically submitted to VA’s Debt Management Center (DMC). Within 3 days of receipt of the debt, DMC will issue the first Notice of Indebtedness (NOI) which provides 30 days to repay or dispute the debt. If the school doesn't contact DMC, a second NOI will be issued providing an additional 30 days for the school to respond, and it also informs the school of VA’s obligation to report delinquent debts to the Treasury Offset Program (TOP) for further collection. If the school still does not contact DMC, a third NOI will be sent informing the school of VA's intent to refer the debt to TOP if no response is received within 60 days. If no response is received within 60 days, the debt will automatically be referred to TOP for further collection.

Note: NOI’s are mailed to the School Certifying Official address located in WEAMS.

How does Treasury Offset Program (TOP) work for school debts?

Once debts are referred to TOP, VA is no longer collecting the debt and control of the collection is managed by Department of Treasury. The TOP process will capture funds payable to the school issued by other government entities. When an offset occurs Treasury will also assess a $17.00 administrative fee. Once funds are captured, they are forwarded to DMC who is responsible for applying the funds to the school debt. Additional information on TOP, and contact information, can be found at the following website http://fiscal.treasury.gov/fsservices/gov/debtColl/dms/top/debt_top.htm

How can a school dispute a debt?

Schools must contact DMC to dispute a debt. The best way to submit a dispute is to email DMC at dmcedu.vbaspl@va.gov. Schools may also call DMC’s toll free number and speak to a customer service representative or mail a written dispute to DMC. DMC’s contact information can be found at: http://www.va.gov/debtman/

DMC will automatically suspend collection of a school debt if a dispute is received prior to referral to TOP. The school will be notified of VA’s decision regarding the dispute, and DMC will continue the collection action if appropriate.

Letter 3

You were previously notified that education benefits for
were adjusted resulting in the creation of a debt. The balance on that account is now $36.
The Department of Veterans Affairs (VA) notified schools in April 2009 and again in January 2011
of circumstances where schools would be held responsible for refunding tuition fees and Yellow
Ribbons payments to the VA. Those circumstances are summarized on the back of this letter.
If you already sent funds to the VA for payment of this account, please advise this office where you
sent the payment, and provide the amount and the date of the payment. If you have a copy of the
canceled check, please provide this office with a copy of the front and back of the check. If you
have not returned the funds to the VA and sent the funds to the Veteran in error, you are responsible
for the debt. Refunding money to the Veteran does not automatically transfer your liability of the debt
to the Veteran unless you specifically followed the instructions on the back of this letter. If you dispute
the debt, you should explain why you refunded monies to the Veteran and did not return them to the
VA. Your payment options are listed on the back of this letter.

WHAT WILL HAPPEN IF YOU IGNORE THIS LETTER?
We may refer your account to the Department of the Treasury for further collection, which will
include offset of any federal payment to which you are entitled. In addition, the Department of the
Treasury may refer your account to private collection agencies, which will result in additional fees,
interest and penalties being added to the balance.

WHERE DO YOU CALL IF YOU HAVE QUESTIONS REGARDING THIS LETTER?
If you have questions regarding payment of the debt, you should contact the VA Debt Management
Center at 1-800-461-8227. Our office hours are 7:30 AM to 6:00 PM Central Time. Please note that
we experience our highest call volumes on Mondays and throughout the first week of each month.
By avoiding these peak times, you will minimize your wait time. Your call may be monitored to
ensure quality information. You can also contact us via e-mail at dme.email@va.gov. If you have
questions regarding specific Veterans or payments, please submit a separate inquiry for each.

You have a delinquent student tuition debt for
with the Department of Veterans Affairs. The balance is $.

We have tried to contact you on numerous occasions to satisfy this debt.
If you do not pay the balance in full or establish a satisfactory payment agreement within 60 days, we will refer
your debt to the Department of the Treasury for offset under the Treasury Offset Program (TOP).

Under TOP, the Department of the Treasury will collect this debt by reducing or withholding Federal and State
payment(s), not protected by law, to which you are entitled. This offset process is authorized by the Debt
Collection Improvement Act of 1996. (VA benefits on behalf of a student are typically protected by law.)

Before we refer your debt to TOP, we are required to tell you that you have the right to inspect and copy records
related to the debt. If you have questions about the repayment process, please call our office on the toll-free
number shown below.

You must pay the debt in full or establish a satisfactory payment plan with our office within 60 days of the date
of this letter to avoid referral to TOP. Please include the remittance with this letter with any
payment you send to our office. If you have any questions regarding the debt or actions you need to take to
prevent referral, please call us toll-free at 1-800-827-6648 or email us at dmcdu.vbaaspl@va.gov. Our normal

Returning Funds to VA

Schools should wait to refund payments to VA until a collection notice from the VA Debt Management Center (DMC) is received. In those instances where schools are responsible for making a remittance to VA for excess Tuition, Fees, or Yellow Ribbon payments, schools may make a refund to VA in one of five options.

Note: If making a payment directly to VA (see options 1, 2, & 3 below).

1. Schools may send a check, payable to the US Department of Veterans Affairs, to the VA Debt Management Center. It is essential that schools include the student’s name and VA file number when making a payment to VA. If you have received a collection notice from DMC, VA requests the tear off sheet from the collection notice be included with the payment. The address to the VA Debt Management Center is:

   VA Debt Management Center
   Bishop Henry Whipple Federal Building
   P.O. Box 11930
   St Paul, MN 55111-0930

2. Schools may make a payment using a major credit card, debit card, or by electronic funds transfer from a checking or savings account. You may do this on-line by visiting the DMC website www.pay.va.gov, or by calling the DMC toll free number at 1-800-827-0646. Schools paying on-line or by phone will be required to provide details from the DMC collection notice.

3. Schools may also send a payment to VA from any Western Union Agent location, or by visiting www.westernunion.com. The Western Union Agent or the website will require a host city code, which is “VADM”. You will need the code to complete the transaction.

4. Should the school receive payment in the form of a paper check, the school may return the uncashed Treasury check to:

   U.S. Department of the Treasury
   Financial Management Service
   P.O. Box 51318
   Philadelphia, PA 19115-6316

5. Should the school receive payment via Electronic Funds Transfer, schools may refund VA electronically via Automated Clearing House (ACH). To do so, schools shall request their banks return the full payment amount using an R31 ACH return code. Each bank has its own procedures and time constraints for returning direct deposit payments. Please speak with your bank’s representative to obtain specific instructions on this process.

6. For additional information about school debt, you can contact DMC via email at dmcenquiries.vbasp@va.gov, by telephone at 800-827-0646, or by fax at 812-970-5782.

Refunds to VA not submitted in one of the approved methodologies may result in delays in debt processing. These delays may result in erroneous collection notices to students and/or schools and possibly referral of the debt to private collection agencies and the credit reporting bureaus.
VA-ONCE TRAINING
Initial Setup – Log On
Log in using your VA provided user ID and temporary Password. **NOTE:** Your browser must allow “Pop-Ups” to view this page.
Initial Setup - Changing your password

Completed “New Password”, “Confirm Password”, and “Password Hint”. Click “Change Password”.

Passwords must consist of 3 of the 4 following categories: Uppercase; Lowercase; Numeric; Special Characters.

NOTE: You will be prompted to change your password every 90 days. If you do not log in, your account will be deleted after 120 days of inactivity.
Across the top of every screen are the actions that can be performed on that page.

The 3 mini tabs located at the bottom of every VA ONCE screen are the TASKS, MARGIN, and HELP tabs.

The TASKS tab is the default. When it is selected you will see the Main Task Buttons: Select, Admin, Reports, and Logout.
Helpful definitions for modifying enrollments:

- **Adjust** - Allows you to report a *decrease or increase in hours* only for the term.

- **Amend** - Allows you to edit the *beginning date, ending date, or tuition and fees*. This feature should be used if you are correcting something, other than hours, on the original enrollment certification.

- **Terminate** – Allows you to report when a student is no longer attending the term (dropped to zero credits).
  - Correcting an erroneous enrollment certification
Correcting a Social Security Number

1. Highlight the student whose SSN needs to be changed.
2. On the Student menu select “Change SSN”.
3. A pop-up will appear with the Current SSN and a field for the new SSN. Enter the correct SSN in the New SSN field.
4. Click “OK”. The SSN will be changed. Be sure to change the file number, if appropriate.
Social Security Number Exists

In some instances, the Social Security Number exists elsewhere in the system. You will not be able to change the SSN, and will receive a message that the SSN must be unique.

If this occurs, add the student using the correct SSN. Deactivate the incorrect SSN.

You will not be able to see any of the certifications submitted under the incorrect SSN unless you view the deactivated student. If you need the records merged, contact your ELR. NOTE: The process of merging the records can take a lengthy amount of time. Only contact the ELR if you need to see past certifications under the correct SSN.
