GEAR UP School Districts

Note: As referenced on page 2 (see *Authorization*), CPIP was established in cooperation with the State's public and nonpublic institutions of postsecondary education, the Council of Maryland's K-16 Partnership, the Maryland State Department of Education, and the local school systems. Although Baltimore City, Dorchester and Wicomico counties are GEAR UP school districts, Prince George's County Public Schools also meet CPIP's LEA selection criteria. Therefore, funding is also made available, on a competitive basis, to projects that partner with eligible non-GEAR UP high schools in Prince George's County.
