Notes:

- (1) Retention rates give the percentage of the 2010 first-time, full-time undergraduate cohort that returned for the second year.
- (2) Graduation rates are six-year rates for the 2005 cohort of first-time, full-time full-time undergraduates.
- (3) University of Maryland - Baltimore is excluded because it does not enroll first-time freshmen.
- (4) University of Maryland - University College is excluded because it primarily serves the adult, part-time population.
- (5) The University of Baltimore began admitting first-time, full-time students in 2007, so six-year graduation rates are not yet available.
- (6) Pell Grant Recipients identify students receiving Pell during the year of entry to the four-year institution.
