UNDERGRADUATE TRANSFER BETWEEN MARYLAND HIGHER EDUCATION INSTITUTIONS Fall 2022-Fall 2023**

This report is composed of a set of tables showing, by campus, the undergraduate students who were enrolled in Maryland public colleges in Fall 2022 who transferred** to a Maryland public college in Fall 2023. This analysis was possible because the Commission collects enrollment data on all students using encrypted social security number as a personal identifier. The tables were developed by matching the enrollment file for the Fall semester of 2022 with the Fall 2023 enrollment file using social security numbers.

The first three tabs contain, by campus, students enrolled as undergraduates at a Maryland public institution who transferred** to a Maryland four-year public institution in 2023. The left column of each table lists the campus of 2022 enrollment; listed across are the four-year institutions to which students transferred** in 2023. These three tabs are divided into "All students", "Full-time Students" and "Part-time Students"; this enrollment intensity is as of Fall 2022.

The last three tabs show students enrolled full-time and part-time, respectively, as undergraduates at a Maryland public institution who transferred** to a Maryland public two-year institution in 2023. The left column of each table lists the campus of 2022 enrollment; listed across are the two-year institutions to which students transferred** in 2023. These tables also include those students who enrolled at a public two-year institution in 2021 and re-enrolled at the same institution in 2022.

NOTE: **"Transfer" is defined, solely, as a change in student enrollment from fall to fall; it does not use analysis of such data as intent of student, credits transferred, etc. to further define transfer.
